

President of the Amsterdam University College Alumni Association (AUCAA)

2-year tenure

Voluntary

The president of the AUCAA is a vital organ in the association and the AUC community at large. They perform tasks aiming to ensure a positive development of the association, as well as oversee the implementation of policies and actions to that end. As a leading figure, they have to safeguard the cohesion of the board and inspire progress within its members. It is the president's task to make sure the AUCAA serves its members well with opportunities and progress post-AUC. The president also furthers the interest of raising funds for the AUC Scholarship Fund, that allow current AUC students to receive an education regardless of financial means. The president will be required to show passion and dedication that serve as an example for others. If you want to represent AUC's young and dynamic student body and play a major role in reshaping the alumni experience this might just be the voluntary work you have been looking for.

General Board Member of the Amsterdam University College Alumni Association (AUCAA)

2-year tenure

Voluntary

Each member of the AUCAA is a crucial part of the association. General members have the liberty to take on floating tasks and advance the associations in different dimensions that furthers its aims and ideals. With strong creative liberties, they are the spirit of the community and are often more hands-on when it comes to the implementation of the association's policies. As with any position on the board it is expected that the general members serve the community to the best of their abilities and allow for a positive team dynamic. Motivation and passion are driving factors in the two-year tenure of the general board members.
